

Details of Webinar

Date: 31.07.2020

Theme or Title	Drinking Water Quality Monitoring and Management
Details of Speaker	Dr. Manoj Kumar Tiwari School of Water Resources, IIT Kharagpur
Details of Webinar	Water quality is defined as “those physical, chemical or biological characteristics of water by which the user evaluates the acceptability of water”. Water quality management deals with all the aspects of water quality including different beneficial uses of water, the uses consist of intake from on site and from in stream flow. For managing water quality both natural and anthropogenic factors should be taken into consideration. For the overall fitness of a human being and other organisms the water should be pure, wholesome, and potable. As a result the main focus of the webinar was to adopt various managerial methods to maintain proper water quality for the overall fitness of a society
Name of Conveners	Sri Rajesh Das, Assistant Professor Department of Geography Sri Somnath Mukherjee, SACT I, Dept. of Geography
Name of Organizing Committee	Organized jointly by the department of Geography and IQAC of Kishore Bharati Bhagini Nivedita College (Co. Ed.)
Number of Participants	110

KISHORE BHARATI

BHAGINI NIVEDITA COLLEGE(CO-ED)

BEHALA, KOLKATA-700060

OUR SPAEKER

Manoj Kumar Tiwari

Ph.D. (IIT Kanpur)
Assistant Professor, School of Water
Resources
IIT Kharagpur

Research Areas

Fate and transport of pollutants in water
and soil mediums
Treatment of hazardous and persistent
pollutants in surface and ground waters
Contaminated site management
Water/Wastewater treatment
Advanced oxidation processes
Wastewater recycling and reuse
Water Quality Sensors Development
Development of analytical protocols
Water Supply and Distribution
Water Budgeting and Water Footprint

Member: International Water Association
(IWA)
Member: American Society of Civil
Engineers (ASCE)
Member: American Chemical Society
(ACS)

Free Registration starts on
1.08.2020 till 04.08.2020
(12.00 noon)

ONE DAY STATE LEVEL WEBINAR ORGANISED BY

DEPARTMENT OF GEOGRAPHY

In Collaboration with
Internal Quality Assurance Cell
(6.00 P.M. 4th August,2020)

Patron and Chairperson
Dr. Shib Sankar Sana
Principal
&
Chairperson of Webinar Organizing Committee

Convener and IQAC Coordinator
Rajesh Das, Assistant Professor and Head of Geography
Department

Jt. Convener
Somnath Mukherjee, State Aided College Teacher
(SACT I)

Members of the Webinar Organizing Committee

Dr. Anupriya Chatterjee, Assistant Professor

Sri Prakash Mistry, Assistant Professor

Dr. Poulomi Chakraborty, SACT (I)

Sri Somen Ghosh (SACT I)

E-certificate will be provided to every participant

Kindly download the google meet to participate

ONE DAY STATE LEVEL WEBINAR TALK

Drinking Water Quality Monitoring and Management

6.00 P.M. On
4th August
2020

ABOUT THE WEBINAR

The Department of Geography in collaboration with the Internal Quality Assurance Cell of Kishore Bharati Bhagini Nivedita College (Co-Ed) is going to organise a state level one day webinar on "Drinking Water Quality Monitoring and Management". The main purpose of this webinar is to aware the audience about various issues related with drinking water and it's management. Our aim is to keep the pace of teaching-learning process through various methods and to keep our students engaged in various kinds of academic activities during this pandemic period. However, we believe that this webinar will also benefit our colleagues and other audience as the topic selected is interdisciplinary in nature. Looking for your kind cooperation and active participation. Thank you very much.

Dr. Shib Sankar Sana
Principal and Chairperson of
Webinar Organizing Committee
