Weakness	Not all students had means or money for seamless network connectivity. Not all villages and far-flung blocks of the district of 24 Parganas (south) had the infrastructure to support online classes
Opportunities	<ul style="list-style-type: none">• Sufficient number of permanent teaching staff and additional subject experts are employed to carry out the teaching learning process smoothly even in the online mode.• Waiving of fees and large number of books are provided to the needy students• Scope of Carrier Counselling even in the online mode.• Webinars and online workshops were organized.• Teachers updated their skills aside taking online classes.• Knowledge was communicated on digital platform. The LMS system usage was at its peak during this academic year.• Joint online classes were taken successfully with other college (Mainly MOU signed Colleges). Joint Webinars with other colleges became a popular phenomenon Webinars on Yoga and mental health were organized.
Challenges	<ul style="list-style-type: none">• To provide knowledge to the new generation learners as per need of time.• To expand resource for modernization of the institution.• To develop the skill of students for job opportunities.

6. Analysis of Feed Back of Existing Students

Was your performance in assignments discussed with you?

Teachers inform you about your expected competencies, course outcomes and programme outcomes

THE TEACHERS ILLUSTRATE THE CONCEPTS THROUGH EXAMPLES AND APPLICATIONS

Teachers encourage you to participate in extracurricular activities.

What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching

The overall quality of teaching-learning process in your institute is very good
