

# INSTITUTIONAL CORE VALUES

## ▪ ETHICS

**The college, from its very inception has been trying to offer a proper environment for education as well as for the wholesome development of the individuals involved in the teaching-learning process, perennially honouring the dignity of the stakeholders of the college. The academic activities are performed respecting the approved norms and guidelines of the statutory authority. The research papers, presented and published are scrutinised by plagiarism software of the concerned publishers. Overall, the college aims to create a humane atmosphere in its campus, free from any discriminatory practices.**

## ▪ INTEGRITY

**The college aims at the holistic development of its students, staff and stakeholders. We strive to offer a fair, honest and unbiased workspace for the exchange of knowledge and wisdom, which is our primary aim.**

## ▪ SERVICE

**Our teaching faculty, in addition to completing the prescribed syllabi, encourages all our students to excel in their respective fields and prepare them to face the competitive world. Our priority is the overall well-being of the students and as such, apart from education, other essential services are meticulously managed by our non-teaching staff timely and efficiently.**

## ▪ QUALITY

**Our aim is to offer quality education to students from all strata of society. Their social skills, intellectual abilities, physical fitness and mental health are continuously sharpened through multifarious programmes which provide them with the necessary tools to improve themselves and advance their career so that they can be of service to the society.**

## ▪ EQUALITY

**We strive to make the college premises a space where everyone is treated equally irrespective of class, caste, ethnicity and gender. Special emphasis is given to the upliftment of underprivileged students to ensure each individual receives equal opportunity to sustain themselves in the society.**
