2018-2019  
REPORT OF THE SEMINAR  
Department of Education

*Kishore Bharati Bhagini Nivedita College (co-ed)*  
*held on 28<sup>th</sup> September, 2018*

*Chairperson - Dr. Shib Sankar Sana*

*Convener - Joyita Mitra*

The Education Department of Kishore Bharati Bhagini Nivedita College (co-ed) organized a Special Lecture on 28<sup>th</sup> September, 2018 Wednesday at 11.30am onwards at the Smart Classroom of KBBNC in collaboration with IQAC of KBBNC. Prof. Joyita Mitra (HOD), Dr. Deblina Talukdar, Dr. Deepa Roy conducted the Seminar in the smart classroom. Chairperson our Principal Sir, Dr. Shib Sankar Sana, IQAC Co-ordinator, Prof. Mahananda Roy (HOD) of Chemistry Department along with other teachers of other department visited the event.

Prof. Tara Pramanick, Assistant Professor, Department of Education, Vivekananda College for Womens. Her Topic was "Environmental problems and duties of Educational institutions." and the whole programme was conducted within one hour from 12.30pm to 1.30 pm accordingly.

Food waste, general waste management, energy use and water management contribute to an education establishment's sustainability. If one handles these four regions appropriately, a school/college can promote green practices to limit its footprint. When these are neglected, they can cause significant environmental issues. Therefore the objective of the lecture given by Prof. Tara Pramanick was to make the surroundings cleaner and greener for the current as well as future generations.

Educational Institution play a crucial role in protecting & conserving the environment. They serve as a platform for educating students & promoting awareness of environmental issues, as well as inspiring action towards sustainable development. To aware the students and surrounding people of the rapidly depleting natural resources and make them contribute to the conservation of the same. Even different rallies, workshops, cleanliness drives, bird watching camps can be organized for creating awareness about environment.

Students decorated the room with posters made by them on the topic and with flowers and Balloons. Diya lightening was arranged. Anchoring done by Ms. Deepa Roy, Departmental Speech given by Joyita Mitra (HOD). And vote of thanks given by Dr. Deblina Talukdar. There were 33 & 41 students present in the seminar on 26<sup>th</sup> & 28<sup>th</sup> September, 2018.

Our students really benefited from the lecture and slides shown by her. Thanks to her for sharing us with her experience too. We all agreed that her Lecture was interesting and enthusiastic too. My heartiest thanks to our Principal Sir Dr. Shib Sankar sana for giving us the opportunity to conduct such wonderful educational Seminar.
