Honourable Speaker were Dr. Sonali Chakraborty, Associate Professor, Department of Education, Shivnath Sastri College. Her topic was "Education for Peace & Harmony". The whole programme was conducted within one hour from (11.30am to 12.30 noon)

Education has been always supposed to promote peace & harmony all over the world. Peace & Harmony are two distinct values of these universal human values that need to be developed among the human kind. Peace and harmony can bring a peaceful and stable order to society, and they are the necessary condition for the survival and development of mankind. Therefore the purpose of the lecture given By Dr. Chakraborty was to make student know how to maintain harmony & peace in the world and have critical & logical thinking. The main concept of peace education is to make people aware of the importance of peace making and to develop a positive environment. Even how to manage conflict without violence, respect all forms of life & engage insocial justice activities. History has observed that humans have succeeded in every condition when they lived in unison. So stay together, and maintain a harmonious relationship with everyone which will surely benefit human being and society.

Students decorated the room with posters made by them on the topic and with flowers and Baloons. Diya lightening was arranged. Anchoring done by Ms. Deepa Roy, Departmental Speech given by Joyita Mitra (HOD). And vote of thanks given by Dr. Deblina Talukdar. There were 33 students present in the seminar.

My heartiest thanks to our Principal Sir, Dr. Shib Sankar sana for giving us the opportunity to conduct such wonderful educational Seminar.
