## REPORT OF FEEDBACK OF TEACHER'S

Session 2021-2022

### ❖ Suggestions given by the faculty members

A properly equipped conference room is necessary with all modern teaching facilities.
Require adequate rooms during taking classes as well as internal examination.
Arrange class room according to the no. of students.
Special care for canteen amenities
Required Air-condition in our GIS laboratory.
Attention need to be given to the department have sufficient students but number of classroom is not sufficient.
Lecture rooms and more teaching staffs in the department are needed
Sufficient classroom for conducting classes should be present in the college premises. A ramp for wheelchair movement should also be constructed for the differently abled students.
During summer months, conducting classes on the 3rd floor (Zoology Lab.) has become quite challenging and unbearable for the students as well as the teachers. An immediate action should be taken in this regard.
More cleanliness
Classrooms should be separate from laboratories. Faculty of Science has got no separate classrooms except allotted sitting space for students inside the laboratory itself.
Sitting arrangement in the library required for students.
Strictness must be implemented regarding the attendance of the students, irrespective of Hons Or general disciples
Need more improvement for college ambience
The staffroom needs to be air-conditioned. There should be appropriately dedicated space for seminars and other functions with every possible and necessary upgrades such as sound-proofing, sound system, proper space for performing arts etc.
Library needs better sitting arrangement.
Satisfactory experience
