(Sub:-Request for a career counselling session for apprising the students on "Career as a Company Secretary")

Dear Sir/Madam,

The **Institute of Company Secretaries of India (ICSI)** is a premier national professional body incorporated by an **Act of Parliament (Company Secretaries Act, 1980)** working under the jurisdiction of **Ministry of Corporate Affairs, Government of India**. For three decades, the ICSI has been playing a key role in the growth and development of the Indian Corporate Sector by producing a cadre of highly qualified **Company Secretaries (CS)** as corporate managerial professionals for efficiently and professionally managing the administrative, secretarial, legal as well as financial activities, thus enabling the unhindered growth of the corporate sector.

In the above backdrop we are keen to make the students community aware of the course so that they may consider their ideal choice in the selection of their professions from among many.

Yours is a renowned college and there is a lot of potential among your students. We shall be glad to present information through a **career awareness session** about the **Company Secretary (CS)** course and the profession to the students of your institution.

We will take $\frac{1}{2}$ / 1 hour for our session and would like to interact with the students and apprise them about the course and profession and the opportunities to the students who complete the course.

We will be highly obliged if you kindly provide a time and date for our session at your school. A line of confirmation can be sent to **Mr S.Sreejesh, Assistant Director** at his mail id **s.sreejesh@icsi.edu** or you can contact him on **8820043049/8910267199** for any further details.

Thanks & Regards,
