### **Report on National Level Seminar:**

On the third of January, 2024, the Department of English organized a national level seminar on the National Educational Policy that was enforced during the academic year 2023-24 and the academic fraternity was still grappling with its scope and challenges. Dr. Debaditya Bhattacharya of Jamia Milia University was the resource person of the seminar entitled “Interrogating the Dimensions and Challenges in the New Education System”.

The insightful preliminaries offered by the principal Dr. Shib Sankar Sana, Coordinator, IQAC, Mr. Mahananda Roy and Teachers’ Council Secretary, Dr. Rudra Prasad Das set the session in motion. The intensely informative, resourceful and brilliantly delivered speech of the speaker and the consequent interactive session made the whole a memory to be cherished by all forty-nine attendees.

**Report on Workshop on Educating and Creating awareness on Mental Health:**

Being the mentors of young adults passing through the transitional stage from adolescence to adulthood, we have to take care of their sensitive minds. As a step towards this direction, the Department of English decided to collaborate with the Department of Education, KBBNC, in organizing an awareness campaign and workshop about “Educating and Creating awareness on Mental Health” on 28.03.2024.

In presence of the participants comprised of both students and teachers, Smt. Deyashini Paul, a psychologist, special educator and art therapist, delivered her insightful speech and easily captivated their attention through a psychologically soothing mental exercise. All felt distressed and relieved and really felt engaged.
