Held on 03.01.2025 Friday

Principal :- Dr. Shib Sankar Sana. IQAC Coordinator: Prof. Mahananda Roy.

Teacher's Council Secretary: Dr. Rudra Prasad Das. ASC Convener: Ms. Joyita Mitra

Open Book Examination refers to an educational approach where students are allowed to use their textbooks, notes, and other reference materials during examinations. Aim is to test higher-order thinking skills, application, analysis, critical and creative thinking and problem-solving of the Students. Often the purpose of an open-book or take-home test is for the student to demonstrate not just the memorization of facts or ideas, but also the ability to use critical thinking in applying or explaining the material.

There were 15 participants from 1st, 3rd and 5th semester. Questions were from their syllabus of different papers. Full marks were 50. They have to attempt 25 questions of two marks. Only one candidate was selected from each department who scored highest. From 1st semester Rimjhim Bag, scored 20 out of 50. From 3rd semester Pritikana Mondal, scored 22 out of 50. From 5th semester Neha Molla scored 30 out of 50. In order to that-

1st was Neha Molla

2nd was Pritikana Mondal

3rd was Rimjhim Bag.

Open book exams represent a forward-thinking approach in education. Thus Open-book exam is a well-proven procedure that evokes learning most constructively, and allows students to use multiple resources to achieve the desired level of proficiency at a reduced level of stress and anxiety.
